More often than not, you can't use a Roblox account generator through any legitimate means. Though they may appear on sites like Reddit, to actually get the account, you'll need to join closed Discord servers, and download specific software that isn't verified by the game's developers. Therefore, you're taking a huge risk with your

device's security by downloading them, as they could contain anything from viruses to spyware. They're also pretty unreliable. If you go to the trouble of downloading one, it might not even work.

"Once all info is submitted and the magic "Do things now" button is pressed, it delivers the well-worn trick of popping a fake box claiming things are happening behind the scenes. Secret, hacker-style things working their magic on Roblox servers ... All you'll get for your troubles is your personal information added to marketing databases via the survey links."

In Roblox, in the span of 15 minutes, you can easily check out a handful of games in just about any genre you can think of. In a popular third-person horror game called Piggy, I had to flee from a terrifying pig wielding a baseball bat. One of the top Roblox genres is "obby's," short for "obstacle courses," where you have to navigate precarious platforms and avoid, well, obstacles. I even found a clone of Counter-Strike called Counter Blox.
